

UNITED STATES DISTRICT COURT  
FOR THE MIDDLE DISTRICT OF TENNESSEE  
NASHVILLE DIVISION

CENTURYLINK COMMUNICATIONS,  
LLC, ET AL.,

Petitioners,

v.

CATELLUS FIBER OPTICS, LLC,

Respondent.

Case No. 3:24-cv-00181

Judge Eli J. Richardson  
Magistrate Judge Alistair E. Newbern

---

**ORDER**

The Court has reviewed the proposed initial case management order filed by the parties (Doc. No. 27) and finds, based on the parties' representations made therein, that the initial case management conference set on April 10, 2024, should be continued until after Judge Richardson has resolved the pending motion to stay this action because there are related proceedings in other courts (Doc. No. 14).

Accordingly, the initial case management conference is CANCELLED. The parties shall file a joint motion to reset the initial case management conference no later than 7 days after Judge Richardson denies the requested stay or, if Judge Richardson grants the stay, no later than 7 days after the stay is lifted, if the action is to continue in this Court.

It is so ORDERED.
